**FOR IMMEDIATE RELEASE**

**DELTA CONSULTING GROUP IS PLEASED TO ANNOUNCE THAT  
FELIX A. PEGUERO, P.E., HAS JOINED OUR COMPANY AS VICE PRESIDENT  
IN OUR NEWLY RELOCATED MIAMI OFFICE**

**September 2006** – Delta Consulting Group is pleased to announce that Felix A. Peguero, P.E., has joined our company as Vice President. Felix Peguero brings over 30 years of program management, construction and engineering experience in major industries. His recent experience includes executive management in charge of an engineering company, over a period of nine years. For five years he served on the executive management team of one of the world's premier engineering/construction organizations. In addition to successfully managing numerous projects in the United States, Felix has provided engineering support and expertise on disputes and claims for projects in the Cayman Islands, Bahamas, Dominican Republic, St. Martin and Puerto Rico. Currently, he is President of the Miami-Dade Branch of the ASCE; he served as Past-President of the ACI South Florida Chapter and is an active member of the Florida Engineering Society.

Jeffrey Fuchs, President of Delta, welcomed Felix and said that "Felix's extensive construction experience in project management, claims analysis and negotiation, cost and damage analysis and expert witness testimony, will be a real asset to our existing team. Felix is an exceptional engineer and his experience and knowledge will add to the high quality advice Delta provides across a full range of services to our clients."

Felix joins Delta's Senior Consultant, Charles Clas, in our newly relocated Miami office in Coral Gables, located at 2000 Ponce De Leon Blvd., Suite 606, Coral Gables, FL 33134, (305) 421-6379. The new larger office space will allow Delta to continue to support our rapid growth in that region and will serve as a gateway to our increasing international business in Latin America, Mexico, the Caribbean and other countries around the globe.
